

Make a story with your own words as in the example:

Last year I travelled with my.....

For example:

My Semester Holiday

Last year I visited Switzerland with my friends. We traveled by airplane and stayed for 6 days.

The weather was extremely cold because we went there in winter. We played and danced in the snow. We built an enormous snowman.

I wore a blue overcoat and a pair of boots. We tasted good food in the restaurant. I had so much fun with my friends! So it was a dream holiday for me.
